Update and Manage your fixtures into a searchable and sortable database.

- Information available includes commercial history (Fixtures and sales).
- Ships descriptions are updated with the latest information provided by owners and shipbrokers.
- Charter histories dating back to the 1980s offers a unique insight in market evolution.

Interactivity

- Use our public information and/or create your own private fixture database
- Link to our ship descriptions database (updated daily)
- Link to our open positions database – positions calculated from fixtures
- Share Fixtures with your partners
- Quickly see for each ship open zone or ports
- Search fixtures by TEU/DWT or design
- Search fixtures by Charterers
- Print or export fixtures lists into Excel or directly paste fixtures in your E-mail
