Update and Manage your open positions into a searchable and sortable database.

- Ships descriptions are updated with the latest information provided by owners and shipbrokers.

- Open dates are both as reported by owners or shipbrokers, and calculated from fixtures for a broader coverage.

- Open zones / locations are as reported by owners

Interactivity

- Use our public information and/or create your own private open positions database
- See date range of open position are recorded
- See zones and/or locations of open position
- Search open ships by dates and zones
- History of positions are recorded
- Share positions with your partners
- Access instantly to your commercial contact (brokers...)
- Link to our ship descriptions database (updated daily)
- Link to our fixtures and sales database
- Print or export position lists into Excel or directly paste positions in your E-mail
